Chairman, Sarvajanik Education Society,
President, Sarvajanik University

Dear Students, Faculty, and Parents,

It gives me immense pleasure to extend my warmest greetings to all of you on behalf of the Sarvajanik Education Society and Sarvajanik University.

Since its inception, the Sarvajanik Education Society has been a pioneer in nurturing academic excellence and fostering holistic growth. KP Human Sarvajanik College of Commerce and Computer Applications stands as a proud testament to this enduring legacy. In today's rapidly evolving global landscape, the intersection of commerce and technology forms the bedrock of modern industry. By bridging these two critical domains, this institution plays a vital role in preparing students for contemporary economic challenges.

Our core vision at Sarvajanik University extends far beyond conventional classroom teaching and the conferring of degrees. We are deeply committed to cultivating an educational ecosystem that transforms students into enlightened citizens, critical thinkers, and future-ready professionals. We strive to provide a balanced environment that seamlessly blends rigorous academic theory with practical, real-world skills, strong ethical values, and a vibrant entrepreneurial spirit.

"Education is the most powerful weapon which you can use to change the world." At our institution, we ensure that this weapon is forged with precision, care, and a profound sense of social responsibility.

To our students: I encourage you to step out of your comfort zones, embrace curiosity, and make full use of the state-of-the-art infrastructure and resources available to you. The knowledge, adaptability, and resilience you build during your time here will serve as the foundation for your lifelong personal and professional success. Treat this phase not just as a path to employment, but as a journey of self-discovery.

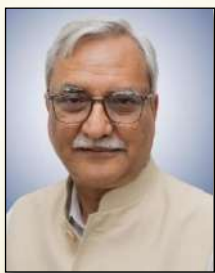

To our esteemed faculty: I express my sincere gratitude for your unwavering dedication and passion. You are the true pillars of this college. By transforming classrooms into hubs of innovation and mentorship, you guide our students with empathy, expertise, and foresight. Your efforts are instrumental in shaping the leaders of tomorrow.

As we move forward into a future filled with technological disruptions and new possibilities, let us collectively strive for excellence. Together, we will continue to uphold the rich traditions, inclusivity, and high standards that define the 'Sarvajanik' family.

I wish KP Human Sarvajanik College of Commerce and Computer Applications continued success in all its noble academic and social endeavors.

Best Wishes,

From the desk of Provost

Dr. Kiran Pandya

Provost, Sarvajani University

It gives me immense pleasure to congratulate Sarvajani College of Commerce and Computer Applications (SCCCA) on the publication of its Annual Report for the academic year 2025-26. As a vital constituent unit of Sarvajani University, SCCCA continues to stand out as a center for academic flexibility, tech-forward learning, and holistic excellence.

The past year has been an exemplary testament to the untiring dedication of the leadership, faculty, and students. The college has truly excelled across all frontiers, balancing robust academic enrichment with phenomenal co-curricular milestones despite having many constraints.

Here, I would like to mention key accomplishments & activities:

National Laurels: The institution achieved historic glory by securing the **1st Prize at the National Level B-Plan Championship at IIM Bangalore** with the innovative "Smart Tile" project.

Sporting Excellence: Our exceptional athletes brought immense pride by emerging as **All India Inter-University Gold Medalists in Woodball**, alongside dominant representations at BCCI tournaments and sweeping numerous district and state-level titles.

Employability & Strategic MoUs: Aligning perfectly with NEP 2020, the college facilitated professional development through targeted **BFSI training programs** and forged impactful partnerships with industry leaders to unlock top-tier corporate placements.

Vibrant Extension Fests: From the socially transformative drives of the **NSS unit** to entrepreneurial platforms like "Business Tycoons" and the tech-centric "TechFest," the college creates an immersive learning environment.

I highly appreciate I/C Principal Dr. Hemina Adhvaryu and the dedicated staff for fostering an environment that empowers future professionals. My heartfelt best wishes go out to the entire SCCCA family as you continue to scale new heights and shape socially responsible citizens.

From the desk LAC Chairman

Shri Manish Panwala
Chairman, Local Committee
SCCCA

It is a privilege to welcome you to KP Human Sarvajanic College of Commerce and Computer Applications. Our institution represents the perfect synergy between commerce and technology—the two pillars driving today's global economy. The Local Committee is deeply committed to ensuring that our students have access to top-tier infrastructure, industry-aligned learning, and a resource-rich environment.

To our students, I encourage you to develop innovation and leadership. To our faculty, thank you for your tireless mentorship. Together, let us work to reach new heights of excellence.

Warm Regards, Shri Manish Panwala

From the desk I/C Principal

Dr. Hemina Adhvaryu
I/C Principal

It is indeed a matter of great pleasure to navigate an esteemed institute like Sarvajanic College of Commerce and Computer Applications. Presently, we have 1700 plus students at our institute across all three programs like B.com, BCA and M.com. Previous year has shown up many new milestones for our institute, right from winning a national level Championship at IIM Bangalore to the selection of our students at the national level in various sports. With an intention to revive the traditional heritage of Indian culture, college organized an event SETU where more than 250 students from various schools of enthusiastically participated in the competition like Lagna Geet, Baal Geet, along with this, a logical reasoning competition was also organized with intention to improve students reasoning capabilities. We held an event named Business Tycoons specially for commerce students to have practical exposure of commerce concept. I am highly grateful to my entire staff for providing me an invariable support. I am also highly thankful to Mr. Manish Panwala and Mr. Ketan Dalal for guiding and supporting me throughout. Managing an educational institute provides an exceptional opportunity to shape not only the careers of my students but also their character. It motivates me to bring innovation to education in lieu of changes happening in society. I am committed to provide the best of my efforts for the upliftment of my institution. I would seek blessings from almighty to provide me strength and courage to contribute exceptionally for my institute.

ABOUT SARVAJANIK COLLEGE OF COMMERCE AND COMPUTER APPLICATIONS

Established in 1912, the Sarvajanik Education Society (SES) stands as one of South Gujarat's most prestigious philanthropic educational trusts. Driven by the noble objective of democratic spreading of knowledge, the society has consistently evolved, transforming from a singular mission into a massive educational engine that powers the dreams of thousands of students across the South Gujarat.

A jewel in the crown of the Society, the Sarvajanik College of Commerce & Computer Applications (SCCCA) was born out of a visionary and innovative spirit. Recognising the contemporary need, SES introduced this institution in June 2008 as a pioneering "Evening Commerce College" — the first of its kind under the Veer Narmad South Gujarat University. This strategic timing was designed to empower the youth to extend their horizons without compromising their professional ambitions.

With the landmark inception of Sarvajanik University in 2021, the college transitioned into a key constituent unit of the university, further solidifying its academic autonomy and excellence. The institution serves as a vital bridge for students pursuing rigorous professional certifications. By offering flexible hours, SCCCA ensures that those occupied in vocational courses or professional internships can still achieve their fundamental graduation degree, which is essential for a successful career in today's competitive industrial landscape.

The college provides a robust curriculum designed to meet contemporary industry standards. Currently, the institution offers **B.Com. (Bachelor of Commerce)** a comprehensive program focusing on **accounting with specialisation in finance, wealth and bank management**, specifically tailored for students aiming for professional excellence in the corporate world, **B.C.A. (Bachelor of Computer Applications)** a tech-forward course designed to build a strong foundation in software development, database management, and modern computing and **M. Com (Master in Commerce)** offers a specialized curriculum meticulously aligned with the evolving demands of a competitive global market. Currently, the college is operating from the historic Sir K. P. College of Commerce campus. The college provides an environment that blends tradition with modernity. A vast repository featuring an extensive collection of textbooks, reference materials, and global periodicals. Classrooms are equipped with high-end teaching gadgets, including multimedia projectors to facilitate interactive learning. In addition to this, students have access to a dedicated Health Center and a comprehensive Sports Center to ensure a balanced lifestyle.

At SCCCA, education transcends the four walls of a classroom. The college fosters a vibrant culture of all-round development through a variety of co-curricular and extracurricular

activities. Students are encouraged to participate in Professional Seminars, Cultural Festivals, Sports, Tournaments and Community Outreach.

Students are encouraged to participate in Professional Seminars, Cultural Festivals, Sports, Tournaments and Community Outreach.

We are immensely proud to foster an institution that serves as a beacon for the youth, helping them value their university degree while carving out a niche in the global market.

Vision

To empower students through value-based education and provide a platform for holistic development, fostering their contribution to the upliftment of society.

- To nurture dynamic entrepreneurs, versatile professionals and socially responsible citizens through affordable education.
- To offer programs that have global acceptance and applicability.
- To create a framework and attitude for life-long learning amongst students and staff.

REPORT OF SPORT COMMITTEE

(Committee Members)

Asst. Prof. Manisha Kantharia (Chairperson)

Dr. Amit Patel

The academic year 2025–26 has been a remarkable chapter in the sporting journey of Sarvajanik College of Commerce and Computer Applications. With unwavering enthusiasm, dedication, and team spirit, our students have once again proven that excellence is not confined to classrooms alone but extends strongly onto the playgrounds and arenas.

Sports at our institution are not merely activities—they are a way of life that instills discipline, resilience, and leadership among students. This year witnessed active participation across a wide spectrum of games including cricket, badminton, volleyball, basketball, football, chess, karate, yogasana, roller skating, and woodball.

Our students proudly represented Gujarat at National Level Competitions, especially in cricket and other disciplines, bringing recognition and honor to the college. Their performances reflected not only talent but also consistent hard work and determination.

A moment of great pride for the institution was the achievement of Gold Medals at the All India Inter University level, particularly in woodball. Such accomplishments highlight the high standards of training and the competitive spirit nurtured within the college.

In addition, a large contingent of our students participated in All India Inter University tournaments across various sports, showcasing their skills at prestigious venues across the country. Their participation itself stands as a testament to the college's strong sporting culture.

At the State and District levels, our players delivered exceptional performances by securing multiple Gold, Silver, and Bronze medals, especially in roller skating, yogasana, and karate. These achievements reflect their perseverance and commitment to excellence.

The college also excelled in Sarvajanik University Inter-College Competitions, where our teams emerged as Champions in Badminton and Table Tennis, while also securing commendable positions in basketball and other sports. The Inter-Class Competitions further energized the campus, providing a platform for students to showcase their talent and competitive spirit.

Events like the Fitness Festival 2025–26, SCCCA Cricket Premier league and Sarvajanik Cup 2026 added vibrancy to the sports calendar, encouraging mass participation and promoting physical well-being among students.

These accomplishments would not have been possible without the continuous support of the management, the dedicated efforts of coaches and coordinators, and the relentless passion of our students.

As we reflect on this successful year, we take pride in our achievements and look forward to scaling even greater heights in the years to come.
